## BILL HAMON: THE BEGINNING OF THE THIRD AND FINAL APOSTOLIC REFORMATION

The Lord Jesus has revealed by His Spirit some insight and application concerning His timely purpose being activated in 2008. I have been prophesying for 10 years that a "Saints Movement" is coming to the Body of Christ. The Saints Movement is a time when the saints, believers in Jesus Christ, recognize and act on the understanding that Christ has empowered and commissioned each of them to be the Church 24/7--manifesting the Kingdom of God wherever they live and work. Every believer has the ability to manifest the supernatural in a miraculous way, and every saint is called to demonstrate the Gospel of the Kingdom (not just the Gospel of salvation) in their sphere of influence. In my book, *The Day of the Saints*, I prophesied what would be many of the truths and ministries of the Saints Movement. Some of these include: every saint manifesting the supernatural; ministers in the marketplace and in all arenas of society; saints becoming the Church 24/7; and people of all ages becoming activated as ministers for Christ. In the last several years, we have seen these things happening in the Body of Christ, such as through the increased emphasis of signs, wonders and miracles and of ministry in the marketplace (sometimes called the "Faith at Work" Movement or other similar terms). A New Era of Reformation Now in 2008, God has brought new revelation and application. The Saints Movement is the catalyst to launch the Church into the Third and final Apostolic Reformation. The First Apostolic Reformation occurred in the 1st century with the launching of the era of the New Testament Church. The Second Apostolic Reformation, which is known to historians as the Reformation, transitioned the Church from the "Dark Ages" to beginning the period of the restoration of the Church (see Acts 3:21).

This Reformation will bring about a paradigm shift in the goal and purpose of the Church. Most Evangelical and Pentecostal theologians see no purpose for the Church other than to win more souls to Christ so they are made ready for Heaven. Now we are receiving revolutionary, reformed thinking from the heart and mind of God. The expanded goal and vision of the Third Reformation Church is to co-labor with Christ in His passionate desire for the fulfillment of Revelation 11:15: "...there were loud voices in Heaven, saying, 'The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!'"

### **The purpose of God for this time**

The First Apostolic Reformation and purpose of God was for Jesus to shed His life's Blood for the salvation of sinners. God was in Christ Jesus reconciling the world unto Himself by purchasing them with His Blood and making them members of His Body of Christ, the Church.

God's Second Apostolic Reformation and purpose was to restore and build His Church to the full maturity and ministry of Christ Jesus. This is accomplished through Christ's fivefold ministers, of which the last two, prophets and apostles, were restored to recognition and began fully ministering during the Prophetic-Apostolic Movement, from 1988 to the present. Apostles and prophets have existed throughout Church history but often weren't recognized or allowed to fully function. The fivefold ministers are for the purpose of equipping the saints to demonstrate Christ's Kingdom--the Saints Movement. Christ's Third Apostolic Reformation and purpose is to use His restored Church to fulfill God's original mandate to mankind--subdue all things, take dominion and fill the earth with a mankind race in God's own image and likeness, bring more and more of God's Kingdom and will to earth, and transform nations into sheep nations (those who do the works of Christ. See Matthew 25:31-46). This is the end result of the saints taking the Gospel of the Kingdom into every aspect of society.

The Timing 2008 is the year of new beginnings. It is the beginning of the new Third and final Apostolic Reformation. This Third Reformation will bring as much transition and fulfilling of God's purpose as the First and Second Reformation did. We have been prophesying and interceding about this shift for many years. It is with firm conviction that I believe this is now the time for it to fully be underway. Whenever a move of God occurs, there is much action and anticipation ahead of time, during the "birthing" process, and even greater activity afterwards. In later years, historians pick a date they consider to be the "official" start of that new move. Many currents were headed toward Reformation prior to the year 1517, and several key things happened after that date, but 1517 is the year chosen by historians to signal the beginning of that major move.

I believe and am declaring that 2008 is God's set time for the full release of the Third Reformation. At Christian International, we saw a birthing of the Saints Movement at our Watchman Intercessor Conference in April 2007, as prophesied by Cindy Jacobs, one of the speakers that week. I witnessed to that word and was glad we have finally seen it. It coincides with one interpretation of the 490 years (70 weeks x 7 days per week = 490, with each day symbolizing a year) that Daniel prophesied concerning the time period to the coming of the Messiah and ushering in the Church (see Daniel 9). Many believe this is also the period of time from the beginning of the restoration of the Church to the time when all presently restored truth and ministries would be activated into fulfilling God's end time purpose. Church historians designated the year 1517 as the birth date of the Protestant Movement, which was the beginning of the period of Church restoration. AD 1517 + 490 years = AD 2007. This time period covers all the restoration movements from the Protestant Movement through the present Prophetic-Apostolic Movement to the birthing of the Saints Movement in 2007. Others may have their own views on interpreting this Scripture, but I believe it is clear that God's Spirit is saying this is a very significant time. Receive God's Grace to Participate.

In 2008, God is releasing special supernatural grace and power to those who are willing and ready for Church Reformation. They will be those who demonstrate the Kingdom of God for the transformation of nations. Expect to hear much preaching and see many books being written on the saints taking dominion, the Kingdom of God, transformation, wealth for Kingdom purposes, the Third and final Apostolic Reformation, and God's purpose for His Church, His Kingdom and planet earth.

All of the hundreds of apostles and prophets that I know around the world are sensing and saying the same thing, although some may use different terminology to express these things. I cannot emphasize enough the importance of understanding and participating in the major transition and new thrust of the Holy Spirit taking place in the Church today. As the leader of Christian International, we are gathering our leaders and ministers in early March (open to all) to strategize how to best position ourselves to cooperate with this great move of God, and I encourage others to do the same.

### **A word of wisdom regarding end times**

I want to add a word of wisdom to all who read this. All Christendom, from Catholics to Charismatics, believe in the second coming of Christ--when He will translate the bodies of the living saints and resurrect the bodies of those who have died. The a-millennialists and post-millennialists believe this all happens at one coming of Christ at the end of the Church Age. The dispensational pre-millennialists believe in two comings, one for the Church and one for the general resurrection, and then the great white throne judgment. Most see a seven-year period between Christ coming FOR the saints and Christ Jesus coming back WITH the saints. Some believe the Church will be resurrected and translated to Heaven at the beginning of those seven years, some believe it will happen three and a half years later, and some believe it will occur at the end. The wonderful and amazing thing is all of them teach that the saints are coming back to join the reign of Christ's Kingdom over all the earth. Regardless of the different eschatological beliefs, all Christians will end up back on the new earth, where all the kingdoms of this world become the Kingdoms of our Lord and His Christ.

## **Make the transition**

Those whom Jesus has made kings and priests unto God shall be the overcomers who reign with Christ on the earth. Please do not get stuck arguing and debating over what will happen during the seven years. Let us set our vision and goal beyond those seven years to Revelation 11:15. It is the time to give all of our life and labor to be coworkers together with Christ in demonstrating and enforcing His Kingdom in all the earth. We will not cease until we can join the voices in Heaven victoriously, declaring that the kingdoms of this world have become the Kingdoms of our Lord Jesus and His anointed one, the Church.

2008 is a historical time for the Church. Be an overcomer and make the transition. Allow nothing to keep you from being a participant in this day of divine visitation and reformation. Begin now to earnestly pray, prepare and work for God's Kingdom to come, and His will to be done on earth as it is in Heaven.

Amen and Amen.

Yours in Christ,

## DROOM: 3 JANUARIE 2008, RINA VAN ZYL

Ek droom ons is in die kerk. Dit is baie vol in die kerk.

Stephen preek en die teenwoordigheid van die Here en die Vrees van die Here is so sterk dat die mense nie kan opstaan en uitloop nie. Ek sien spesifiek hoe mense probeer opstaan om uit te loop maar hulle kan nie opstaan nie.

Daar is baie klere. Stephen roep eers die leiers en se almal moet kom van die klere aantrek. Hy staan en kyk terwyl hulle dit aantrek. Nie almal wil dit doen nie, van die mense loop uit, ander sluip uit met die hoop dat hulle nie gesien word nie, ander sê hulle wil dit nie hê nie, hulle klere is goed genoeg. Pa Stephen se, geen verskoning of ekskuus nie, almal moet dit aantrek, die gemeente ook.

Ek sê vir Pa Stephen jy is baie kwaai en maak die mense bang. Hy sê ek sal hier staan tot hulle dit gedoen het anders sal hulle dit nie doen nie.

## PROPHECY AND PRAYER BY THAMO NAIDOO FEBRUARY 2008

### **Prayer**

The Lord will not allow me to teach today. Just lift your hands to God. Are you ready for a new day in God? Are you sick and tired of the present brand of Christianity, and you know there's more to God? That's called divine discontentment – you know there's more to God. Yesterday's manner was good enough, but it can become today's can of worms. Every day you have to come for fresh bread from God. So I'm asking you to lift your hands and say, 'God, lead us as a congregation. Use us. Use us.'

Just worship Him for a moment. Let's allow the Lord to speak to us. Some of you, I feel in the spirit, you've been coasting. Taking it easy, just being happy at being a Christian. The Holy Ghost is saying to me now, where you stand is your altar. It's time for you to make a re-dedication to Him. In Psalm 84 the Bible says that, my soul, it longs for your courts, it faints for your tabernacle. Speaks of the sparrow and the swallow, who has chosen to build a nest on the altar, and lay its eggs in that nest. In other words, it prefers to make its home on the altar of sacrifice. And sacrifice its future on that altar. If the bird of the sky has the audacity to come without protocol to an altar and lay its nest, how much more should we give our lives to God.

Re-dedicate your life, re-dedicate your marriage. This is a New Day. Don't miss the season. You can look at it from the vantage point of the heavens one day, and yes, you'll go to heaven if you miss the season. But you will have regrets in heaven for not being part of one of the greatest moves of God in the earth. I can assure that many in the Cloud today will trade their position to be where we are today. Because we are the finishing generation. We are making complete the things that they could not complete. What a privilege to be living today. So make a dedication to the Lord. Make a dedication.

Father, accept the dedication of these Your people, whom you love and gave Your life for. Many of them are coming back home, to the place of devotion and dedication, to re-surrender. Lord, I am asking now that You would renew their strength, that You would revive their spirits, and restore them to the place where You plan for them to be. Give them a reward, like You paid the eleventh-hour worker the same wage as the first-hour workers. Father, equalize the playing fields. Bring down the mountains, and raise up the valleys, that everyone will be at the same place, in this journey as they move forward.

I pray for this house. I pray for Stephen, and for Truandi, for the ministerial, the pastoral, the apostolic team. For every leader of whatever tier, that they are functioning in. I ask o God that You connect them to the frequency of what You are doing. Fine-tune their spirits, adjust their mentalities, bring them to compliancy with the heavenly order. Make this house a gateway through which You can enter into this city, and establish Your purposes. Raise up a body of people here, that are sold-out to serving You with absolute devotion and total surrender. Father, bring them to that place. Renew the energy of this house. Revive their spirits. Give them a fresh message, a pure and clean message, that will become their new mandate. Pray for it, pray for it in Jesus' Name.

### **Prophecy**

I see in the Spirit Stephen, I see that God is taking off an old skin, and He is now going to put on a new skin for you. It's like you're gonna shed off, like an animal, like a snake, that gives off the old skin. God's going to put a brand-new skin upon you, He's gonna re-clothe you. And that's not just for you, its for every single person connected to your spirit. God's re-mantling you. It's like the garment of Joseph. It has many colors, but this is not a clothing as in a physical dress. These are the prisms of life, of light. He's going to wrap you in the many colors of light. That the clothing you're going to see upon you, is the glorious garment of Light. And in it is all the equipment, all the resources, all the anointings. It's not gonna come in the traditional way

that you've done things. You're gonna feel the sound of your voice changing, the temperament of your spirit changing, and you're gonna just be the symptom of what's gonna happen in this entire house. The drive in you is gonna change, there's gonna be a meekness, a mellowness, a calmness that this house has not been familiar with. God's gonna give you wisdom, and He's gonna touch that lip, that tongue of yours, and give you the wisdom of the learned, the aged. I see it.

I see great wealth coming into this house. That's one of the anointings on this coat of many colors. Great wealth. Not just in money and material things, but in anointings and gracings. There's going to be an intimacy in the spirit, like you've never experienced before. I see it happening within the next 90 days. In the next 90 days, start counting from today. Waves of blessings. One of the physical signs of it will be financial breakthroughs. But don't get caught up with the breakthrough, it's only a sign. Because where the glory is, gold is attracted to it. I see it. Sudden contracts, new jobs, promotions, breakthroughs, healing in marriages. I see a fresh love coming to marriages. This is gonna happen, happen quickly. Quickly. There's gonna be a calmness in this house. Even the sound of the worship, there's gonna be a deepness, a stillness, a quietness - yet in it will be a loudness. There will be a shout, but it will not be a noise. It will not be a scream. There will be a blast, but you will know the voice of God in it. I see this happening. Expansion is coming to this house. Bless You, Lord. So God's re-clothing you, re-mantling you. He's gonna appropriately fit you for this level of the journey; for this measure of the feast.

I see that there's some people that have been skeptical of the season. You've not shown it verbally, you've hidden it in your hearts, even though you've given your full support. But you have had doubts. God says He'll confirm to you, starting now, that you are in the right place. You were not sure, because you were measuring what's happening here, with everything out there. God says, stop doing that. The witness is not outside, it will be in your spirit. 'I will bring affirmation and confirmation to you.'

People will be attracted to you, people will come to this house. You don't have to go and look for them. God's gonna send people to this house, like you've never experienced before. Quality people, precious people, skilled people. Many of them will become mighty men and women, together with those that are here.

So honor Your Word, Father. Starting from today, quicken it with speed. Let us start today. Let us start today. Miracles. When they go to work tomorrow, miracles, breakthroughs. Let it take place in these 90 days. Let those that are plugged in to the spirit of this house start to experience eruptions, eruptions. Some of you won't sleep at night, God will be speaking to you. And you will still have all the rest you need. Visions, dreams, long periods of just waiting upon Him. The Word is gonna get fresh. Fresh, you're gonna find revival. You would love to read the Bible more than any other pleasure. It's gonna happen.

So lift those hands. Lord, I'm imparting this grace, activating it. You've honored the words that I've spoken over many congregations. Now I'm asking You Lord, to honor it in this house. That these words will come to pass within these 90 days. And let there be such a revival here, Lord, such an excitement. Let there be the spirit of family, of bonding, of loving, of embracing, of sharing, of intimacy. Let there be order, submission to leadership, camaraderie, the working together. Let this house be raised up, to be a voice in this nation, Father. To be an example of this new season. And may those that come here, that are wounded and troubled, find healing and peace.

I bless Stephen. I bless Truandi. I bless Samantha. I bless this church. I bless each one of them. Bless them in the Name of Jesus. Bless them. I bless the pastors, André and your beloved wife, Dawid and your wife. Bless you in Jesus' Name. Bless you as you work together, Hennie. And the staff, I bless each one, in Jesus' Name. Bless them Father. And everybody said, Amen. So Be It, that's what 'amen' means.

## PROPHECY OVER SOUTH AFRICA (INCLUDING BECHUANA AND NAMIBIA)

By Daniel (a Messianic Jew) – JERUSALEM, April 2008  
(Note: This is not a verbatim transcription)

I spent last night like in a pregnancy. It is strange for a man to have a pregnancy. I have a pregnancy of the Holy Spirit for South Africa, Bechuana and Namibia: It is released today and they will take it back to their country. They will see signs and wonders. I want to share what I saw over your nation.

I saw a map. South Africa is on the map. South Africa, Bechuana and Namibia are one geographical unit in the heavenly. There is another geographical map in the heavenly. South Africa, Bechuana, Namibia and all those little places, are all one for the Lord.

The battle of South Africa (and Bechuana, Namibia) is in the heavenly. It is a PRIORITY for the Lord.

### **First point of Prophecy:**

I saw another picture. I do not want to offend. It is of blacks (natives) in a boat. South Africa is like a boat. The boat is shaking and the natives are being thrown from place to place, from side to side. They are little – like small children that are falling from side to side. Why do I see this picture? I do not want to offend, but I must speak what the Lord says. God sees the situation of this nation: they are like little children going from side to side (being tossed – suffering). But He will stabilize the boat, so that they will not fall from side to side. He will let them stand on solid ground – on the Rock, which is Jesus Christ!

### **Second point of Prophecy:**

I have three scriptures for South Africa:

- 1 **John 10:10** *The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life and have it in abundance (to the full, till it overflows).*

This scripture is for SA and it is from the Lord: Satan is the thief that steals, kills and destroys your nation. I felt it very strongly. The Lord says it is finished! First half of text is going to be fulfilled (stealing, killing and destruction). The rest will now be fulfilled: I have come that they may have life and have it in abundance, in fullness. South Africa must bless all Africa. It will be fulfilled. The boat will stop shaking.

- 2 **Prov 6:31** *But if he is found out, he must restore seven times [what he stole]; he must give the whole substance of his house [if necessary – to meet his fine].*

This word is for the Body of Christ in SA. It is speaking of the thief, Satan. He must restore seven-fold and give up the substance of his house. The Holy Spirit says this verse must be PROCLAIMED all over SA! You must come to the enemy and say: "Each thing you have destroyed in my nation, that you killed, caused destruction, you must give seven times much more." You have authority from Christ to command it and demand seven times restoration. It is very important for your nation. PROCLAIM IT! You will see the fulfillment of this! And we declare it as the truth for SA, in the name of Jesus!

God will move in a mighty way in South Africa, in the Body of Christ. And no one will stop Him!

- 3 **Mark 16:15-18** <sup>15</sup>*And He said to them, "Go into all the world and preach and publish openly the good news (the Gospel) to every creature [of the whole human race].* <sup>16</sup>*He who believes [who adheres to and trusts in and relies on the Gospel and Him Whom it set forth] and is baptized will be saved [from the penalty of eternal death]; but he who does not believe [who does not adhere to and trust in and rely on the Gospel and Him Whom sets it forth] will be condemned.* <sup>17</sup>*And these attesting signs will accompany those who believe; in*

***My Name they will drive out demons; they will speak in new languages; <sup>18</sup>They will pick up serpents; and [even] if they drink anything deadly, it will not hurt them; they will lay their hands on the sick and they will get well."***

This is the promise of the Lord to the Body of Christ in your country: it will be fulfilled in your nation in 2008 to 2009.

**Daniel interrupts and prays thus:**

"I break any religious spirit in the Name of Jesus Christ! I break the chains of the mind! I proclaim liberty and freedom in Jesus' Name!"

The Word of God is powerful. When God says something He will fulfill it! God WILL fulfill it because it is for His Glory and His Kingdom and the Lord loves SA!

The Holy Spirit tells me to say that South Africa has blessed Israel for two generations. God will pour blessings upon your nation. I am obedient to the Holy Spirit. It is something fresh. From Jerusalem I am proclaiming it. Thank You, Jesus!

You must PROCLAIM and SPREAD this prophecy!

You will see fulfillment of John 10:10 and Prov. 6:31, but please command it and send it via email all over the Body of Christ in SA. The Lord says it is enough! I didn't steal from you. Go to Satan and DEMAND it! Each piece of ground that has been stolen by Satan, he must give seven times!

Each person who has left SA (ex-pats) will return, bringing back seven others.

The land and everything stolen will be given back! You must go to the enemy and demand it! Go to Satan and proclaim God's Word. God's Word is a sword. When you come in holiness and purity and you demand it, Satan MUST give it. SA will see fulfillment of this.

The Holy Spirit is telling me to say something new: South Africa, Bechuana and Namibia will not come to the situation of Rhodesia. Yes, to the Lord it is Rhodesia, not Zimbabwe. For Him it is Rhodesia. It is from the Lord. You will see it will not come, for South Africa is very important to the Lord.

**And now the last part of the Prophecy:**

While we were ministering in Austria, we met many people from SA living in Austria and Germany. The Lord sent an elderly woman, 70 years, to me, with a group of women. And it was very strange, for the Holy Spirit kept saying to me say: "Ma, ma, ma....will be coming back to SA". And I said to her, "What is this 'ma'?" She said 'ma' is mother in African. The Holy Spirit showed me that a lot of believers from your nation in the rest of the world will return: The Holy Spirit will speak to believers: "Go to your nation. Your nation is not Austria, your nation is not the UK, your nation is not Germany. Your nation is South Africa." An army of believers will return to SA.

On 12 March 2008 I saw a vision in Austria for SA: the vision was of a Cross – the Lord is putting this Cross in the land of South Africa. The Cross is put in a strong way in SA. No-one can move it. It is like deep in the earth of SA. It is towering over Africa. The top of the Cross is in North Africa. The Cross is of gold and fire. Streams of gold and fire are running inside this Cross.

And then I saw the sky is opening above your nation. Black clouds are going out from your nation. I saw the sky is opening and I saw white clouds, white. The Holy Spirit is moving above your nation. I saw hundreds and hundreds of thousand little eagles flying over South Africa. They are flying from the Indian to

the Atlantic Ocean. From side to side. It is the fulfillment of the promise that the Lord has promised to your land.

Your land is going to walk in signs and wonders, word of wisdom and knowledge, prophecy, inner healing, physical healing. And through those signs, the natives will come to Jesus! They need healing and He is going to heal them. God will move among the natives, they will destroy their idols and they will come to Jesus. The Lord is faithful.

God will open up the gift of signs and wonders. South Africa is a land of WARRIORS. When SA walks in signs and wonders, it will not only be for the glory of Africa, but for all the nations of the whole world.

See the fulfillment of the promises of God. And it is powerful! Break the chains of your minds! The power of the Holy Spirit to perform miracles is released when chains of mind are broken.

Daniel declares LIFE on this prophecy, that it will start in 2008 and no one will stop it! He prays: "Thank You Lord for stabilizing the boat. Thank You that the blacks will not be shaken from side to side. They will stand upon the ground, upon the Rock, and the Rock is Jesus Christ! And Lord, please have mercy upon the white people."

"I, Daniel, Israeli Messianic Jew from Jerusalem, release from the heavenlies armies of angels – millions and millions and millions of angels upon your nation! Upon each white person, their houses, property and possessions! Warrior angels so that Satan cannot come to steal destroy and kill. I put a wall of Fire of the Holy Spirit round each believer and those not yet believers. Come Lord Jesus, with Your Holy Spirit and baptize this nation with and by Your Holy Spirit."

"Let the Fear of the Lord be upon each one who wants to leave South Africa. Let the Lord speak to each one: "Do not leave! I will protect you and bless you. I need you in this country! I will bless you in this country!"

"I must shout this word of God, because it is so powerful! We seal it by the Blood of Jesus! So that the enemy cannot steal that which does not belong to him!"

"Bless it to the nation in Jesus' Name!"

Amen and Amen

DROOM

Ek droom laasnag dat ek by die kerk kom. Daar is 'n opgewondenheid in die sigbare en onsigbare atmosfeer. Dit voel of daar 'n fees gaan plaasvind.

Daar is engele wat met klokkies rondans en dit klink verskriklik mooi. Die mense kan hulle nie sien nie, maar ervaar die atmosfeer.

Ek voel in die droom dat daar 'n gevaar dreig, om die fees te stop, en dat ek baie ernstig in tale moet bid. Ek loop na Theo toe en vra hom wat se die Here vir hom. Hy antwoord my dis 'n awesome tyd maar ons moet net baie ernstig bid vir 'n aanval. Ek se snaaks genoeg ek voel ook so. Ek loop van hom na Gerhard, Wayne, Thys en Elvis en almal sê vir my presies dieselfde. Dis vir my duidelik dat elkeen dieselfde woorde gebruik maar nie met mekaar gepraat het nie.

Die volgende oomblik kom daar 'n man aangehardloop met 'n AK 47 geweer en begin skiet en roep waar is die posman ek maak hom vandag dood en al sy mense. Hy skiet en ek en Theo hardloop na jou toe. Toe ons jou kry sien ons dat jy 'n beskerming om jou het en die koeëls kan nie deurgaan nie. So ook kan die koeëls nie in ons ingaan nie. Daar kom tot vuur uit die geweer so vinnig skiet hy. Die man word woedend ons bestraf hom en hy hardloop weg.

Toe ons terug in die kerk ingaan is al die mense weg, almal het gaan wegkruip oral op die perseel. Toe jy hulle vertel wat gebeur het, vra jy, "En mense waar is julle outoriteit dan? Kom ons maak alles skoon, daar is werk om te doen hier".

AMEN

DROOM

Ek droom laasnag Pa Stephen kom by my en sê vir my daar is dinge in my lewe wat ek moet uitsny en oorkom. Hy sê, "Heerlikheid Rina jy het genoeg Woord in jou, staan op en doen dit. Dit is nie noodwendig sonde maar dit hou jou terug van dit wat die Here wil hê jy moet bereik. Ek verwag dit van jou."

Die volgende oomblik is ek in 'n groot dubbelbed en ek word wakker. My hart en my verstand sê vir my dat ek so gou moontlik daar moet uitkom. Ek kan glad nie my bene lig nie, hulle is swaar en pyn en die kombers druk my ook vas.

Ek gebruik my arms en skuif my bene af en trek my met my arms verder uit die bed. Ek staan op en spreek Woord en begin loop totdat ek sterk en sonder moeite loop. Ek loop tot by 'n baie groot kerk en sien dit is Soteria. Daar is huise om die kerk en ek kry my huis en gaan in.

Vanaf my huis kan ek in die kerk insien asook in die ander huise in alhoewel hulle mure en deure het.

Daar is geweldig baie mense in die kerk, en hulle gaan in en uit. Die diens hou aan Pa Stephen praat en Ma Truandi speel sag musiek en sing in die Gees. Ek sien daar is baie pastore en predikant maar hulle is net lidmate en daar is ook baie jeug. Terwyl ek na alles kyk sien ek die lig is baie helder maar dit maak niemand se oë seer nie.

Toe dit aand word klim Pa Stephen af van die kansel en loop met 'n staf in sy hand na die mense se huise. Soos wat hy loop gaan die deure van die huise oop en hy loop in elkeen se huis in terwyl hulle slaap, en die kaste gaan oop, die komberse lig op en hy kan alles sien wat weggesteek word.

In die droom voel ek hy stel nie regtig belang in wat hy sien nie, maar hy het 'n deernis vir die mense en sy oë is vol liefde soos hy na elkeen kyk.

Hy gaan terug na die kansel en vra die mense om die dinge te oorwin wat hulle terughou. Hy sê dat as hulle dit nie doen nie sal hy met hul individueel praat as hy by hul kom.

Die kerk word al voller en daar is 'n heerlike atmosfeer. Ek ervaar die snaakste ding, dat die mense kommunikeer met mekaar sonder woorde. Hul kyk net in mekaar se oë, soos hul na mekaar kyk weet elkeen wat die ander een sê en antwoord weer terug op dieselfde manier. Almal voel dat hul net daar wil bly maar weet dat hul ander verpligtinge ook het.

Dear Friends and family in Yeshua

I am writing this letter to you with the greatest of caution and in the knowledge that it is our responsibility not to give people a word of hope which was not born from the heart of God. I do believe that hopelessness has gripped the hearts of so many people in South Africa. Violence, economic pressure and a "feeling of where will things end" is at the core of this.

Some time ago I took the people from South Africa visiting us here in Jerusalem, to a friend of ours who now lives at the spring where Samuel the prophet lived between Ramah and Gibeon. His name is Israel Auerbach. God has raised him up a prophet and when you visit him it is like going to one of the prophets of old. The next day he phoned me and asked me if it is possible to bring the group of South Africans back because God gave him a prophetic word for South Africa during the night and he wanted to proclaim this word in the ears of South Africans.

We went back a couple of days later and he proclaimed the prophecy printed here below. As we prayed about this word, we became convinced that this is what God is saying to the people of South Africa, whatever ethnic group you are from. God is putting all South Africans to a challenge!!! At the end of the prophecy, I want to make a couple of remarks. I believe this is a timely word of hope for South Africans, but it also place a challenge before everyone who will receive this prophecy.

"One man can change a nation! You have a treasure inside of you! The light will push away the darkness. Sow seeds of love. Because you come here to Israel and to this mountain, God will reward and bless you in all ways. The Word will become alive to you.

Take your country for God. You can't let go of your inheritance. This is not a physical battle. You must come against the spirit of crime and the evil spirits. It is a spiritual war and you must fight this war.

There is a special connection between South Africa and Israel. You must help the Jewish people to possess their land and God will help you to possess your land. Identify people and bring them to Israel, not just to visit the land, but to identify with the people of Israel and to pray for the peace of Jerusalem. When you pray for the peace of Jerusalem you will prosper.

God wants to give you the gift to identify with and feel the pain of those you see as your enemies. There is a spirit of Jezebel who wants to take your land, your peace and life. You have two choices - to be passive and allow the evil one to take your land or to fight against this spirit. Come against the spirit of abortion. Don't let the evil one steal your future.

The dream needs to be nourished and fed. Take what you receive here on the mountain of Samuel to your country. Become a warrior for God to take your land spiritually for God and see how God will entrust it to you physically. Young people, take South Africa for God! This is birthed here in Israel today. For 400 years the Jews were in exile. Like them, you are also in exile in your own land. God has placed angels in charge of your cities. You are surrounded by the angels. You are going to see signs and wonders that you have never seen before! Your enemies will be like ants. God says: "Not by might nor by force, but by My Spirit" Take authority over your enemies in the name of Yeshua. You have authority to speak against the evil spirits, given by God. You will be able to handle all things. You have the power to fight the dark forces of the evil one in the name of Yeshua.

Your forefathers were sent to South Africa to bring light. Follow the vision of God. Don't give one grain away to anybody! God will give you the land. It is yours! Be the Heart of Jacob, not Esau! You are Jews

in the spirit. You are going to be blessed if you understand this. The blessing will come to you if you don't worship other gods. Honour God alone!

Cleanse your hearts and be holy before God and take your country for God. Blow the shofar (rams horn) in spiritual war and use it for God. Keep on fighting! You will have the highest seats in heaven. You will be with the Lion of Judah!!"

Please allow me to comment on this prophecy.

It is important that we do not see this as a racial battle. The battle is not a racial battle and it is not a battle against people. The tension in South Africa is due to a spiritual battle between light and darkness. The evil one wants to rob you from your God-given purpose to be a light to all of Africa. We need to learn that the battle is not against flesh and blood, but against the evil forces, which causes the actions of people.

**Eph 6:12 *For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.***

There has always been a special connection between Israel and South Africa. When God then commands us to bless others in order for us to be blessed, we should take this serious. The Bible teaches us that whatever you sow you also reap. There are so many ways in which you can become a blessing to this nation of Israel. When you bless Israel with your prayers, financial support and physical involvement you are sowing seeds which will yield a return to you. The promise to Abraham is that those who will bless you (Abraham), God will bless them. We need to make a decision to be a blessing to Israel.

**Gen 12:3 *And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.***

Yeshua has commanded us to love our enemies. To love others we need to know why they allow the evil spirits to control them. Rejection is the greatest driving force which will cause people to hate and the spirit of Jezebel wants to silence the voice of the prophets. God has a calling on the nation of South Africa. This is a prophetic calling to Africa and the nations and if we remain passive and allow the evil spirits to run rampant in South Africa, the prophetic voice of South Africa will be silenced. This is what the devil wants. Are we going to allow this?

**Mat 5:44 *But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;***

The dream with which our forefathers came to South Africa was to bring the gospel to the southern tip of Africa. In part, we have lost the vision of the Kingdom of God. In stead of having the dream of a nation who will serve God, we became attached to our physical possessions. I have to be bold and say the following, because God has impressed it on my heart. Most South Africans are in fear of loosing their physical possessions and our focus have become to retain our physical land. We want to defend our right to posses a physical land and I am not saying that you do not have a right to own land, but if this is your focus, you are bound to loose it.

**Mat 10:39 *He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.***

The word for "life" used in this verse is not the word "Zoë" - which means the life of God. The word used in this text in the original really means that which "satisfy your soul" or in essence your possessions or physical needs. The Word of God teaches us to seek first the Kingdom of God and His righteousness. When we build God's Kingdom, and possess the land spiritually for God, then God can entrust the physical land to us. We need to process South Africa for the Kingdom of God.

**Mat 6:33 *But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.***

When we read about the 400 years of exile which was prophesied to Abraham for not watching over the covenant which God was making with him, we will notice that the physical exile was in fact less than 200 years. When you are in your land but you have given up on your rulership or dominion, it is like being in exile. I believe that God is saying to us that we have given up our spiritual authority in the land by becoming passive and allowing the evil spirits to rule over us and to focus on our needs. In a way this is like being in exile ourselves although we might still be living in South Africa. Dominion is exercised through proclamations. God has given us the authority to take up our dominion and to rule over the darkness. Take up your authority and wage a war on the kingdom of darkness. Let us not allow the devil to steal our God-given purpose and right to be in Africa.

Jacob represents those who value the covenant and Esau are those who see no value in the covenant and who sells it for the physical needs. Esau disregarded the covenant that God made with his fathers and by doing this he lost his inheritance. Let us be like Jacob who returned to the land of his inheritance and take South Africa for the Kingdom of God. Let us war against the evil one. God is more than ready to support us with His supernatural power.

One person can change a nation when he or she is willing to be used by God. Are you willing to be that person? Pray and ask God to lead you in what He wants from you and how you should become active as a warrior for God.

In His Service from Jerusalem

## RICK JOYNER AND STEVE SHULTZ: “LARRY JACKSON’S ‘KNOWING GOD BY THE NUMBERS’ IS TRULY REMARKABLE”

**By Larry Jackson – 24 July 2008**

From the desk of Steve Shultz:

The Greatest MATHEMATICIAN of all time was not EINSTEIN, nor Solomon, David, or anyone else of human origin. God, the inventor of MATH, supersedes all Quantum Physicists and all Math Scientists.

When the "Bible Codes" began to come out, I knew there was something to be learned, but knew we were not "getting it" yet. Each year, we get closer to understanding the Great "Formula Maker" in Heaven. The times and seasons are in HIS HANDS. Read this word with that in mind. Please note Rick Joyner's comments on this article, which includes information on 8-8-8 (August 8, 2008) - a sequence which will not occur again for another 1,000 years.

Rick Joyner Endorses "KNOWING GOD BY THE NUMBERS":

Larry Jackson's teaching on "Knowing God by the Numbers" is truly remarkable and will certainly expand many Christians' understanding of just how awesome and all-knowing God is. We are going to join with him in this celebration that will be held at our facilities at Heritage (on 8-8-08).

### **"August 8, 2008"**

There are times in life when God requires a person's obedience before He reveals His plan to them. I experienced this on January 1, 2008, at 1:30 AM. After a very exciting New Year's Eve celebration at my church in Charlotte, North Carolina, Father gave me instructions to have another celebration service on "August 8, 2008."

### **Why a celebration on 8-8-08?**

At that time, this was all I heard as our church family exchanged hugs and celebrated the coming of a New Year. This wasn't the right time or venue to share these instructions, so I just hid it in my heart, understanding that there would be a much better time later in the year.

I understood the significance of the number 8 (eight is the number for new beginnings), plus we had just entered 2008 and had just spoke to our church about removing the old and entering into the new.

The Church has always understood the significance of the number eight as it relates to our Lord and the new beginnings of the New Covenant that have been made available (Jesus was raised on the 8th day of the week, for instance).

Little did I know how this simple word would change my life in ways that no one but the Lord could prepare me for.

One week after the New Year service, I was driving to a city leaders meeting and Father spoke the instructions to me again. However, this time I sensed another level of importance and an urgency to get started on preparations now. It was strong enough for me to immediately start telling those people around me that I am to have a celebration on August 8, 2008.

At that time I had no idea what it would look like or why this date was so important to the Lord!

## **Leonardo Fibonacci**

Several weeks later, while studying some financial information, I came across the name Leonardo Fibonacci.

Leonardo Fibonacci was a talented mathematician during the Middle Ages. He compiled and supplemented the mathematical knowledge of classical, Arabic and Indian cultures. He was also known for the significant contributions he made to the mathematical fields of algebra and number theory.

Despite my background in computer electronics, with a heavy emphasis on math-related subjects, I had never heard of him or his work. Naturally, my curiosity was piqued. Yet in no way did I think this would have any bearings on what Father told me to do weeks before. Wrong again!

What I did not realize at the time was that God was leading me down a road to find Him in a way I could have never imagined.

What Fibonacci sparked in my heart was the understanding which God has placed in HIS Creation: a multitude of mathematical equations and sequences. They are found in the food; the plant life; the human structure, including the face; and much, much more. What I realized was the fact that everything we see, hear, touch, taste or even smell has mathematic equations associated with them. This understanding became clearer as I continued to study Fibonacci's work as it relates to finances.

## **Dr. Michael Brown, a Hebrew Scholar**

Weeks into this study, I was led to call Dr. Michael Brown, a well-known Hebrew scholar and leader of the Fire School of Ministry. He has relocated to the Charlotte, North Carolina, area.

I spoke with Dr. Brown about the new and exciting information I'd learned while studying the Fibonacci number sequence and rules. But a thought had come to my heart and mind, which was: "Are there mathematic sequences in the word of God from a Hebrew perspective?"

Dr. Brown explained the difference between Hebrew alphabets and our English alphabets and numbers. Unlike the English alphabet, each letter of the Hebrew alphabet also represents a numerical value. Dr. Brown indicated that many books he'd read had alphabets at the bottom of the page instead of a number - because the letters are numbers.

Later I would find out that there was also a name associated with the numerical values of Hebrew and Greek alphabets, which is known as "Gematria."

Dr. Brown introduced me to another person I had never heard of named Dr. Ivan Panin (Dr. Brown and I were having this conversation while I was driving to a speaking engagement in Richmond, Virginia). He told me how Dr. Panin had discovered mathematic sequences in the Bible in the late 1800s and had given his life to Jesus as a result of his findings. Panin was known as a firm agnostic - so well known, that when he

discarded his agnosticism and accepted the Christian faith, the newspapers carried headlines telling of his conversion!

This conversation piqued my excitement all the more, and I couldn't wait to arrive at my hotel room in Richmond, Virginia, and dive deep into the information. But I still didn't see the connection with what Father told me to do on the first day of the New Year. This was just information I could use to further my Biblical understanding that could be used in sermons and other teachings, right? Wrong again! God was leading me, even though I didn't know I was following.

## **The Search Begins**

I will never forget turning on my computer and performing the search for Dr. Ivan Panin and being amazed at what he found - without a computer. He learned Hebrew and Greek in four years, and from there he discovered number sequences. Panin says the laws of probability are exceeded into the billions when we try and rationalize the authorship of the Bible as the work of man. He once said: "If human logic is worth anything at all we are simply driven to the conclusion that if my facts I have presented are true, man could never have done this."

He challenged those who read his findings to attempt to write a simple paragraph that would meet the numerical qualifications of the Bible that are simply found in the genealogies of the Bible. He also challenged the readers of the local newspapers to give a natural explanation or rebuttal to his findings. There were no takers!

In my hotel room, I was like a child in grade school again! And then it suddenly happened - while reading Dr. Panin's work on the number 8.

He revealed that the number associated with the name Jesus was 888.

I could hardly believe it! Father had instructed me to have a celebration on the date that reflects the number of His Name. Even after a long drive and a speaking engagement with double services the next morning, it was 2:30 AM before I could pull myself away from the computer, and it was even later before I could actually fall asleep.

The Master Mathematician - the Number of His Name

Even though we seldom (if ever) think of Him in these terms, the Creator of the Universe is the Master Mathematician. He has spoken in the language of math for centuries, but we haven't been listening simply because no one realized it was His voice.

As the pieces began to fall into place, I could clearly see why God had directed me to hold this celebration on August 8, 2008.

Again, in the Greek language, the numerical value for the name Jesus is 888, and most of the names or titles of our Lord are also multiples of 8. The Lord was instructing us to celebrate "the number of His name." August 8, 2008 represents more than just new beginnings; this number, which will not appear on our calendar again for one thousand years, identifies Him.

After considering this (along with the fact that every letter, word, phrase, sentence, paragraph and book in the Bible are more than just words, they are also numerical values), my only conclusion was that the Bible is not just a literary book - but the Bible is also a math book.

The internet has a wealth of information on the subject of Gematria and I have studied, researched, and found much of it. There were many times that my wife asked me to come to bed and leave the study for another day. But it had all come together, and now at every turn, I was finding more of God - in the study of both the Bible and its many numerical meanings.

Several words and phrases in the Bible have the numerical value of 888, which include: Jesus, Messiah, I am the Lord, I change not, the Lord art exalted forever, I am the Life, the Priest with Urim and Thumim, the salvation of our God, the mercy of the Most High, My Beloved, the heavens declare the glory of God, they shall be comforted, and the third day. Also, the names of Daniel, Hananiah, Mishael, and Azariah from the tribe of Judah together equal 888. The book of Revelation, which is the revelation of Jesus, has 888 words in Greek.

Acts 3:16, "And His name through faith in His name hath made this man strong, whom ye see and know: yea, the faith which is by Him hath given him this perfect soundness in the presence of you all."

### The Language of Math

In my research, I learned about others who were experts in Gematria and Biblical numbers, including Bonnie Gaunt.

Bonnie Gaunt has published several books exploring the awesome revelation locked in the Scriptures through Gematria. Jesus is our new beginning and the King of a new and awesome Kingdom, which we have the opportunity to enter into - to live a new existence.

Most of the Church understands that our Lord JESUS is the new beginning for our life and the entire world. The numbers of Gematria help to further prove this fact.

For example, this is the way to write as the Greek would, using English letters and the Greek values:

The name Jesus (Iesous in Greek) adds up to 888: Iesous = I (10) + e (8) + s (200) + o (70) + u (400) + s (200) = 888

Most of the names in the New Testament referring to Jesus are multiples of 8. See the list below:

Lord	=	800	=	8	x	100
Jesus	=	888	=	8	x	111
Christ	=	1,480	=	8	x	185
Savior	=	1,408	=	8	x	176
Messiah	=	656	=	8 X 82		

The title Lord (800) + Jesus (888) + Christ (1,480) has a numerical value which equals 3,168.

The numbers should help to further increase our faith in the fact that Jesus has provided for us a new life and we don't have to live in our old existence any more. 2 Corinthians 5:17 says, "Therefore if any man be in Christ he is a new creature: old things are passed away; behold, all things are become new."

We clearly understand how important the title Lord Jesus Christ is in the Church, and it is equally as important in the universe. Think about this for a moment, if God wanted everyone in the entire universe to understand that He is God and if HE wanted to speak a language all could grasp, what language would He use? The language of mathematics is an elevated language and it can't lie. If one number is changed, then the entire meaning would also change!

## Mathematics in Scripture

**"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before Him endured the Cross, despising the shame, and is set down at the right hand of the throne of God." Hebrews 12:2**

All of the authors I know sign their work. In this respect, the Lord is no different. The universe in which we live bears His signature; that is, the numerical value of 3168.

For example, the city of Bethlehem is located at 31.68 degrees north latitude on the earth. We would have to dig 10 miles below the earth's crust before reaching lava, and we would have to travel 50 miles above the surface of the earth before entering outer space. The sum of these 2 distances is 60 miles. If we convert 60 miles into feet, the numerical value is 316,800 feet ( $5,280 \text{ feet} \times 60 = 316,800$ ).

Notice the continual occurrence of 3168!

**Acts 17:28 says, "For in Him we live, and move, and have our being; as certain also of your own poets have said, 'For we are also His offspring.'"**

The Bible states that we live and move and have our being in Jesus and the numbers prove it.

If a box is placed around the earth so that the four sides touch each side of the earth, the perimeter around that box would equal 31,680 miles.

Placing the moon directly on top of earth at the North Pole and drawing a circle around the earth and the moon, the perimeter of the circle would equal 31,680 miles.

3,168 = Mediator between God and men, the Gospel of the Kingdom of God. "He shall see of the travail of His soul, and shall be satisfied: by His knowledge shall My righteous servant justify many; for He shall bear their iniquities" (Isaiah 53:11).

**"To whom then will ye liken Me, or shall I be equal? saith the Holy One. Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number: He calleth them all by names by the greatness of His might, for that He is strong in power; not one faileth." Isaiah 40:25-26**

## How Do We Celebrate the Number of His Name?

Finding God in the numbers sealed even more the fact that He wanted the celebration on August 8, 2008. But there was one little detail that He hadn't given me. What type of celebration, and how do you celebrate the number of His name?

Early one morning I was awakened and knew it was the Father calling me. Finally, the instructions were given and I knew what to do and how to do it.

We are to have a 12-hour celebration and walk the people through the tabernacle of Moses. Allow each section of the tabernacle to speak of the Lord. The first number that can be cubed is the number 8 ( $2 \times 2 \times 2 = 8$ ).

The tabernacle is built in cubit squares. I was instructed to stay 4 hours in each section starting at 8 AM and ending at 8 PM that night.

## THE NUMBER "12" IS ALSO SIGNIFICANT

God has used the number 12 throughout the Bible, because the number "12" also represents Him.

You may recall there were 12 tribes of Israel. The 12 pillars, the 12 stones, 12 chargers, bowls of silver and spoons of gold, 12 spies, 12 disciples, 12 foundations, and 12 gates just to name a few.

Aaron the High Priest wore a breastplate with each of the tribes represented by a precious jewel. Also, remember that each name has a numerical value.

The sum of the last three tribes Benjamin, Manasseh and Ephraim equals 888.

The place where the Cross is found is on the last of the four rows of jewels on the breastplate, where Jacob crossed his hands while blessing Ephraim and Manasseh. Also, Benjamin was Joseph's only brother from his mother to whom he gave a double portion. This is the generation who is living in the blessing of the Cross and will walk in the double portion anointing of our Lord.

Below are the twelve tribes of Israel on the breastplate of Aaron. Each tribe has a numerical value from the Hebrew alphabet. For there to be numerical values that relate to Jesus, would mean that Father God knew these names before they were ever born.

Jeremiah 1:5 says, "Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."

JUDAH	(30)	SIMEON	(466)	REUBEN	(259)
GAD	(7)	NAPHTHALI	(570)	DAN	(54)
ZEBULUN	(95)	ISSACHAR	(830)	ASHER	(501)

MANASSEH	(331)				
EPHRAIM	(395)				
BENJAMIN	(162)	These last three equal	"888"		

Each of the rows in the breastplate is important, but the last row is the one that we will emphasize here. Remember, Benjamin was named Benoni by his mother, before Jacob changed it, which means "Son of Sorrow." The numerical value of the name Benoni is 119, which would have brought the last row value total to 845 (not shown here).

HOWEVER, when Jacob changed his name to "Benjamin" and the numerical value increased to 162 (as illustrated above), the total value of the last row increased to 888, which equals the value of Jesus' name.

Father never wanted His name to be the "son of my sorrows," but rather "Son of My right hand."

While speaking at a MorningStar men's conference, I shared this information with Rick Joyner, Bishop Wellington Boone, and Bob and Bonnie Jones.

Bonnie shared with me that she just had a dream several nights before about the date August 8, 2008. In the dream, God told her that she would find the Joseph Company on that date. He also told her that it would take her 40 days to find them, which started on June 29, 2008. I knew she was looking for the people who would attend this celebration, and the 40 days leading up to August 8, 2008 was a time of preparation and cleansing.

## **Saved and Safe in His Name**

(Note by Steve Shultz: Remember that only AFTER an event passes do we often see the full meaning. So we don't know if this event referred to below - this famine - refers to an actual famine, a spiritual famine, or both. Of course, many will not be able to attend, but you might want to seek the Lord as to how you can align yourself with God's purposes for ANY given date on the calendar!)

Larry Jackson Continues:

I believe Father told me a famine is coming to our land and this celebration will prepare His people for it. It will place them in a position where they will be protected; that is, in His NAME!

We are about to face a season of uncertainty and the Church must know Jesus and the power of His name. We must take the power of Jesus into the streets and marketplace. We are about to enter into one of the most important seasons of harvest man has ever seen.

After the resurrection, Jesus instructs the disciples - who had returned to fishing and had not caught anything all night - to cast their nets on the other side of the boat. When the disciples did what He told them to do, the nets filled immediately.

The Bible tells us that there were 153 fish in the nets. Have you ever asked why 153 fish? 153 = the number of these:

"Passover" ; "He is faithful" ; "Sons of God" ; "He shall cause to inherit" and "I am the Lord thy God".

Could it be our Lord was telling us that the Sons of God would be revealed in the last days of the great harvest? We are in one of the most important seasons the Church has ever experienced, and most of the time our experiences are reserved only for church services. I believe it is time for the Kingdom to be manifest in the streets and the marketplace where more of the harvest can be caught - not only within the walls of the church buildings.

**THE WORLD OLYMPICS BEGIN AUGUST 8, 2008 BUT...**

Beginning August 8, the world will be focused on the Olympics, its glory and excitement, while the people of God must also be focused on the King of Glory and the power of His NAME! This is a prophetic date that will come and go with this calendar year, but the number 888 is forever, because Jesus is forever.

Again, Acts 3:16 says, "And His name through faith in His name hath made this man strong, whom ye see and know: yea, the faith which is by Him hath given him this perfect soundness in the presence of you all."

I invite you to come and join the celebration where the complete focus will be on Jesus. I've also been instructed not to sell anything at this celebration. There can be nothing that takes away from who He is and why we came together on the number date of His name - August 8, 2008.

For more information about the celebration on August 8, 2008, visit our website at [www.BethelOIC.com](http://www.BethelOIC.com). There is no fee to register. The celebration will take place at MorningStar Ministries in Fort Mill, South Carolina. To register, email us at [frontliners1999@aol.com](mailto:frontliners1999@aol.com) or click [here](#).

If you cannot join us, have your own celebration on this day and enter into the number of His Name!

About Bishop Larry Jackson: Bishop Jackson is a Regional Bishop with the Fellowship of International Churches. Bishop Larry Jackson is the founding pastor of Bethel Outreach International Church in Charlotte, North Carolina. Bishop Jackson is a nationally known Promise Keepers speaker and has also ministered across the nation and internationally as a keynote speaker. Bishop Jackson had a pivotal role in establishing Unified 2000, a ministry designed to break down the denominational and racial barriers that divide the Body of Christ. Bishop Jackson currently serves as the Executive Director of Charlotte Awake in Charlotte, North Carolina, with the focus of city unity and Kingdom advancement through the structure of prayer, care and share.

Bishop Jackson is the author of several books including, *Numbered with the Transgressors*, which gives insight into how to pray from Jesus' vantage point to see the hard cases come to the saving grace of the Lord; *Guilt Free Living*, which gives practical instruction on how to be free from the spirit of lust in every area of life; and *Beyond Reconciliation*, co-authored with Pastor Michael Fletcher, gives an account of the unity that took place in the city of Fayetteville, North Carolina, and how the leaders in the city worked together for city advancement.

## MARIUS DE VILLIERS - 6 AUGUSTUS 2008

Ek hoor die woord **MOMENTUM** en ek hoor in my gees die Vader spreek die volgende woord:

Momentum is besig om op te bou in hierdie huis. Momentum kan net bestaan as daar beweging is, momentum word opgebou deur aanhoudend te beweeg. Pa Stephen beweeg en hy is besig om die hele huis saam te neem.

Kan jy die beweging ervaar?

Kan jy die wind deur jou hare voel in hierdie huis?

Voel jy die opgewondenheid in hierdie huis?

Wanneer jy met 'n fiets teen 'n afdraande afry, ervaar jy beweging en jy voel die spoed waarteen jy beweeg. As jy opkyk en 'n opdraande voor jou sien, wil jy soveel momentum as moontlik hê om teen die opdraande te kan uitbeweeg. Maar dit kan gebeur dat as jy nie vinnig genoeg teen die afdraande afgaan nie jy nie teen die opdraande kan uit ry met jou fiets nie. Jy moet dan stop, afklim en jou fiets stoot want jy is moeg en het nie meer asem nie, en die opdraande is te steil.

Maar hierdie huis het momentum opgebou in die Gees om jou teen hierdie opdraande uit te TREK of te STOOT.

Of jy nou in jou persoonlike lewe of besigheid teen 'n opdraande is, maak nie saak nie, jy is 'n seun in hierdie huis en hierdie huis met Pa Stephen as Pa gaan jou teen hierdie opdraande uit help.

Moet net nie stop nie want dan gaan dit moeilik wees om weer teen die opdraande aan die beweeg te kom. Maar selfs as jy gestop het en reeds langs die pad sit, is daar nog steeds genoeg momentum in hierdie huis om jou weer te laat beweeg en jou teen die opdraande uit te help. Maak nie saak hoe groot, steil of hoog jou opdraande is nie, daar is genoeg momentum in hierdie huis om jou teen enige opdraande uit te help.

Ek ervaar ook dat daar "gemeentes" in denominasies is wat teen opdraande is waarvan sommige al gestop het. Hierdie huis gaan hulle teen die opdraandes uithelp en gaan die vader van hierdie huis gebruik om ander gemeentes huise te maak.

**RICK JOYNER:**  
**“THE TRUE MEASURE OF SUCCESS FOR CHRISTIAN  
LEADERSHIP IS WHAT THE PEOPLE THAT HAVE BEEN  
MOBILIZED GO ON TO ACCOMPLISH”**

**A Mandate to Equip the Saints - 18 August 2008**

We have been studying the important ability of mobilizing God's people into the army they are called to be and how what is finished after they are gathered is just as important as gathering them. Presently, we have many who can mobilize large numbers of people, but few who have the vision, wisdom, or resolve to then build them into the force they are called to be, which is to equip them according to the Ephesians 4 mandate. This is not true of all, but of most.

Many associate successes in ministry to the number they are able to gather rather than what the people who are gathered are then able to accomplish. Sadly, many churches are like big sheep pens where food is thrown to the sheep a couple of times a week. The “living stones” are just gathered into piles instead of being built into a temple. Those who are gathered as an army, if they are not trained, equipped, and placed in ranks, will be more like a giant mob than an efficient, effective fighting force they are called to be.

This must now change, and there are signs that a turning is beginning. Many Christian leaders are starting to be convinced by the mandate to equip the saints, but there is often a long period between getting the revelation that this must be done and actually doing it. This is the hump that we must get over.

Another reality is that many who will most loudly “Amen” the teaching that all Christians have a ministry and must be trained and equipped to do their parts, really do not want to do it themselves. Many are now too comfortable with the form of “spectator Christianity” where everyone goes, pays their money, and watches the few who are really doing the ministry.

I know of some Christian leaders who have lost all hope of the present generation breaking out of this, believing their part is to just provide for the next generation who will cross over and possess their inheritance. I understand this position, but this does not have to be the case, and I have been charged not to give up on anyone as long as they are still living.

In fact, I have been shown a huge revival coming among even the very elderly. Like Abraham who was too old when he was called, they will rise up with an extraordinary faith in God and do great exploits. The “new breed” or “new generation” is not about physical age.

The true measure of success for Christian leadership is what the people that have been mobilized go on to accomplish. It is not as important to have large churches as it is to have powerful churches, composed of people who are trained, equipped, and fulfilling their individual callings. This requires taking all of these individuals, helping them to know who they are called to be, and effectively encouraging them to resolutely pursue their purpose, fitting them together into teams.

**Team work**

In 1982, I was given a word that some of the Lord's greatest leaders in the last days were going to come out of professional sports. I was told that sports were their seminary, and they are being taught something very important that church seminaries do not teach – teamwork. Teamwork is the result of leadership

being able to discern where people fit on the team, training each one for their part on the team, and helping them to all function as a team. All great leaders have this quality as a foundation for their success in leadership, including the great leaders of the church age.

Since I received that word I have spent quite a bit of time with people in professional sports. To succeed at any sport on the professional level usually takes years of practicing hours a day with focus and resolve that is uncommon. What would cause a person to make this kind of sacrifice to become a professional at a sport? We may think it is the money, but it has only been in recent times that one could make the kind of money in sports that is made today.

After the 1960 NFL Championship Game, which is often called the greatest game ever, most of the players had to shower and then go to their real jobs because only a few of the greatest stars could actually make a living in professional sports then. Until recently, for most in sports it was simply a love of the game, the competition, and the fame, which was the approval and acknowledgment of the public. How does this apply to us?

Think about how the Body of Christ would change if people began pursuing their callings in Christ with the kind of focus and resolve that one has to have to make it on a professional sports team. The reward for fulfilling our callings in Christ will actually be far greater than any amount of money that we could ever make in sports. The acclaim from God is far more fulfilling than human fame. If Christians really began to see this, they would all be pursuing their calling in Christ far more than any profession.

It is true that for many their professions are a vehicle for their callings in Christ, but if the reality of our callings in Christ is ever truly perceived, none would ever think of themselves as doctors, engineers, or professional athletes first, but they would think of themselves as evangelists, teachers, pastors, and so on first. Our identity in Christ would trump any other human accomplishment. Could this ever be possible? If so, how will it happen?

## **True Christian life and fellowship**

First, the true Christian life is the greatest adventure and most noble cause the world has ever known or will. Therefore, we must first recover the true Christian life. If just a few begin living it in one place, it will be so contagious that many others will be drawn into it.

Secondly, true Christian fellowship is the greatest society the world has ever known or will ever know. When it is recovered by just a few in a place, it will draw many others into it. The bonding of Believers in Christ is intended to be stronger than any other bonding on earth, including the strongest natural families, because this is into the family of God, which is spiritual and eternal. This too is coming.

We are called to test ourselves to see if we are in faith, evaluate your own life with these questions:

1. Do I know my purpose in Christ?
2. Do I know my ministry?
3. Do I know the gifts of the Spirit that I have been given to accomplish my ministry?
4. Is my life the great adventure that Christianity is supposed to be?
5. Is my church fellowship so important that I cannot conceive of life without it?

## VISIE VAN LEEU - 17 AUGUSTUS 2008

Tydens die sing van "Sterke Leeu van Juda" het ek 'n visie gehad van 'n leeu wat met sy voorpote op 'n rots staan. Die leeu was besonder groot en sterk. Hy het trots met sy kop in die lig en neus in die wind gestaan. Sy maanhare was ook besonder baie en dit het laag oor sy voorbene tot byna op sy pote gehang. Dit was nie vir my baie besonders nie omdat dit is waaroor die lied gaan, maar ek het nog steeds vir die Here gevra wat dit sou beteken. Dit was toe dat jy sê, "net die manne moet sing", dat die Here gesê het "No more canned Lions". Dit was ook toe dat die Here my visie verbreed het om te sien dat langs die Leeu is 'n vlag geplant. Vlag was slegs geplant as die oorlog klaar gewen is.

**Jeremiah 50:2: Give it out among the nations, make it public, and let the flag be lifted up; give the word and keep nothing back; say, Babylon is taken, Bel is put to shame, Merodach is broken, her images are put to shame, her gods are broken.** (Bible in Basic English 1965)

**Psalms 74:4: Sending out their voices like lions among your worshippers; they have put up their signs to be seen.** (Bible in Basic English 1965)

Betekenis vir "signs" 'o<sup>o</sup>th oth (Strong's Hebrew and Greek Dictionaries)

(in the sense of *appearing*); a *signal* (literally or figuratively), as a *flag, beacon, monument, omen, prodigy, evidence*, etc.: - mark, miracle, (en-) sign, token.

Die vlag was blou en die profetiese betekenis vir blou is "Heavenly, Life in the spirit, Jesus, The Son of God, The revealed God, Grace, Peace, Streams of living water, God with us, Unchangeable nature of God, Holy Spirit, **Faith** ." Ex24:10, Ex25:4, Ex26:1, Ex28:15, +31, Est1:6, Est8:15, Eze1:26, Eze23:6, Num15:28, Rev22:1

Die profetiese betekenis van die pers vlag wat gewaai is tydens die manne se praise is -"Royalty, Jesus the King, God's Kingship, Glory, Majesty, Wealth, Power, Purification of sin, Slender, Beauty"

**Judges 8:26, Acts 16:14, Esther 8:15, John 19:2, Exodus 28:33, Proverbs 31:21-23, Song of Solomon 3:10, Song of Song 7:5, Mark 15:20**

I Korintiërs 2: "Wat my betref... toe ek na julle toe gekom het om die geheimnisvolle waarheid van God aan julle te verkondig, het ek nie met hoe woorde of groot geleerdheid gekom nie. Ek het my voorgeneem om oor niks anders te praat as oor Jesus Christus, en wel oor Hom as die gekruisigde..

Die boodskap wat ek verkondig, het julle oortuig, nie deur geleerdheid en welsprekendheid nie, maar deur die kragtige werking van die Gees. Dus is julle geloof nie op die wysheid van mense van gegronde nie, maar op die krag van God. Tog is wat ons verkondig wysheid maar net vir die wat daarvoor ryp is..."

- 12 -  
WOORD VIR STEPHEN

Hi Stephen

Seën en liefde vir jou, Truandi en Samantha! Ek wil net graag Woord met jou deel wat toenemend vir my duidelik word vir jou bedoel is op hierdie stadium:

I Korinthiërs 2: "Wat my betref... toe ek na julle toe gekom het om die geheimnisvolle waarheid van God aan julle te verkondig, het ek nie met hoe woorde of groot geleerdheid gekom nie. Ek het my voorgeneem om oor niks anders te praat as oor Jesus Christus, en wel oor Hom as die gekruisigde..."

Die boodskap wat ek verkondig, het julle oortuig, nie deur geleerdheid en welsprekendheid nie, maar deur die kragtige werking van die Gees. Dus is julle geloof nie op die wysheid van mense van gegronde nie, maar op die krag van God. Tog is wat ons verkondig wysheid maar net vir die wat daarvoor ryp is..."

Tot later dan weer.

Vanessa

## DROOM EN WOORD VIR KONFERENSIE:

Ek het 'n week voor konferensie gedroom dat ek 'n TV nuusberig aanskou en sien hoe 'n verterende vuur oor die hele aarde beweeg en alles verbrand tot swart as. Al wat oorgebly het was sulke goue deursigtige glas druppels(blops).

Ek vra toe die Here wat die goue druppels is en Hy se dat dit die SEUNS van God is wat oorgebly het.

Met dit word ek wakker en die woorde "consuming fire goes before Him" is in my kop.

Here lei my na **Deut. 9:3 / Ps. 97:3 / Heb. 12:25-29** Amplified Version and Spirit Filled Version.

Verklaring van **Heb. 12: 25-29** in Spirit Filled bible:

***The author issues a final warning to those who contemplated turning away from Christ. If severe punishment fell upon those who rejected the revelation of Sinai, much more severe will be the penalty upon those who disregard the fuller revelation they have in Christ. The return of the Lord will signal the removal of all that is earthly and temporal, in order that only heavenly and spiritual realities may remain.***

## WOORD J STEYN : EMMANUEL

En kyk sê die Here “Stephen jy sal met die minimum woorde baie kry wat saam jou sal loop. Maar dit kan jy vanmôre glo daar gaan iets gebeur, wat die mense as herlewing gaan beskryf. Jy staan midde in ’n warrelwind maar kyk Ek trek die wind reguit” sê die Here. “Die wind gaan in ’n rigting waai sonder dat jy te veel hoef te sê, deur My Gees sal Ek dit doen. Kyk reeds as jong seun het jy diep begeertes vir My gehad maar My plan met jou oortref alles. My plan met jou is groter, is wyer. My plan met jou is nie deur jou woord of deur jou krag nie, maar deur My Gees. Jy sal bekend staan as ’n man met min woorde maar van groot dade,” sê die Here. Halleluja, Loof die Naam van die Here.

## STEPHEN PREEK VAN VERANDER DIE EKONOMIE VAN JOU LEWE

Terwyl hulle sing stap Stephen na vore. Ek sien 'n engel wat agter Stephen staan met baie groot vlerke. 'n Wese of iets wat ek nog nooit gesien het nie, sy vlerke sprei oor die hele gebou, vertrek, die grond van Soteria. Dis so te sê onmoontlik om direk vir hom te kyk. Ek sien sy vlerke maak toe oor Stephen en wanneer hy weer vir Stephen “oop” maak kom daar iets, soos 'n stroom, reënboog van kleure of iets uit hom uit wat deur die hele vertrek gaan, dis die mooiste kleure of iets wat nie op aarde bestaan nie, moeilik om te beskryf.

Steven sê almal kan sit – Ek vra die Here om baie duidelik vir my te wys of dit werklik van Hom is, wat dit beteken en wat moet ek met die gesig/openbaring/kennis maak. Ek sê “Here nou moet U my help, ek wil gehoorsaam wees en ek wil U nie mis nie.”

Aan omtrent die einde van die preek praat Stephen van die Situatie tekort wat verander in Generasie tekort en dat ons dit vanaand moet breek/afsnij/aanspreek. Ek sien toe weer die gesig maar die keer sien ek 'n groot swart man aan my linkerkant wat met, sy rug na my toe staan by die deur, baie duidelik en die Here sê vir my. Die salwing op Stephen as gevolg van sy gehoorsaamheid/karakter/hart/bereidwilligheid. Beklee God hom eerste (Die engel wat hom toevou) met 'n nuwe mantel.

Tweede dit wat uit Stephen gaan – God se salwing/heerlikheid/manifestasie wat elke juk (die groot swart man of sterkman) verbreek, want Sy juk is sag en Sy las is lig. Die Here het dit reeds gedoen, ons moet dit vat en die sterkman moet die vertrek verlaat na droë en dore plekke wat die Here vir hom aanwys. Laastens sien ek die sterkman verlaat die huis en die heerlikheid van God, die salwing van God hang in en oor die huis.

Ek stap uit die kerk uit, en 'n man stap na my toe, sy naam is Marius. Hy sê vir my, deur my gehoorsaamheid vanaand gee die Here vir my die laaste legkaart stukkie waarna ek gesoek het. Hy sê die Here sê Hy vat my in 'n nuwe dimensie in.

Ek is nog 'n bietjie onseker oor wat die presies beteken maar ek weet dat die Here die Sterkman van Generasie tekort/gees van armoede ens. **FINAAL verbreek vanaand!**

## PROPHETIC WORD / VISION BY JACKIE MARÉ ON 6 JUNE 2008

I looked up and saw the silver insulation through the open roof. I felt in my heart that from here will be appointed men and women that will change a nation. They will be top negotiators and the Lord will put them in the political arena, in palaces, in business, in schools, on pulpits, in sports arenas, on bus stops, on taxi ranks, in households and by cash registers in shops. There will be a move, not on the same principles and levels of the church that we are used to, but God is going to do a new thing. It will take people out of their comfort zones; it will rock churches and pulpits. He is gathering a nation to serve not men and their ways, but through his love be set free. He is preparing a bride, not for the design of her garment, but for the power she will operate in: LOVE. Africa will be in the lead as the world turns to the Godly model of love and restoration. The Lord will raise dynamic teachers, preachers, evangelists, prophets and apostles from the nation of Africa towards the international market. We will hear with our own ears how people will call out, "We want it, we want it!"

Some will seek knowledge, power and recognition and through our love for them, their spiritual eyes will be opened. God will raise up Deborah, Elijah, Joseph and Samson. He will raise up the Judges and the Spirit of the Lord will be upon them.

He is looking for consecrated men and women whom he can empower for this movement. He has already found them and has already started preparing them.

While the preacher was praying, I saw a very high waterfall with bright blue water, falling in a stream with crystal clear water. I lift up my hands and start to bless the people of this congregation. Whatever this congregation will do will set in motion forces to build, reconstruct a new generation that has nothing to do with ages, but with revelation knowledge through love.

RON KUSSMUAL PROPHETIC WORD  
KINGDOM ECONOMIC CONFERENCE: 1 NOVEMBER  
2008

"I have prepared you", says the Lord, "for this time. I have called and appointed you and anointed you with the treasure inside that you know not of. You know it's there but you have not touched it and you have not tasted it as of yet by blind faith. People will tell you that there is no such thing as blind faith. But by blind faith, without seeing - you saw, and this has become and I will use you the same manner to do other things by blind faith, a total trust in the leading of your spirit as you stay strong on my Word. Be obedient to me and you shall see exactly what the future will be.

For I will show you the things of the past that do not last, the things of the future that will hold true and many of them your hands will do and because of that, those who associate with you shall come right along in that same flow and a myriad people will be drawn to it because it'll work and it'll flow.

Understand not the many, but the few who pulled aside to hear the Word and after the Word is heard they separate themselves on an ancient path that's never been walked on this earth before. God will unfold to men and women who are bold in the crucible effect - shall we hear His voice then? It'll be up to us. It'll be a human choice, it won't be the devil that hinders you! See it will be your soil that rebels against me, and fear will take over for the things coming upon the earth. That is why I told you in my word do not look upon the death, famine and dearth because it will stop you're hearts and as a man thinks in his heart so is he. When you fill your heart with what's coming upon the earth, My voice cannot be heard and choices will be few and they'll be wrong if initiated by the mental realm in you. But heart to heart we will talk and see, you will draw closer and closer to me and the things that I desire I'll see function through thee, things that I have not been able to release. No, not since My son did decease, He didn't die, he just came home because His work was finished and it was time for him to be next to my throne. Draw upon the Holy Spirit with thee and you begin to open new realms that you can visibly see. You'll walk and you'll talk and it'll come to past, and the basic principals will be fulfilled through you. Then I will open the interesting part to you too. So understand we are at a turning point and it's a time that I will anoint.

Those who turn and follow that are led by me, those who allow me to take them fair and free, they yield their lives and they are ready to go. They kneeled their lives and they are ready to stay, they yield their lives and they're ready to say, they yield their lives and they're ready to play, for we will play and have fun as you and I run across the face of this earth dispelling death, destruction and dearth.

The newspaper headlines will have things that they don't understand and they won't be 'preacher's divorces' on the front page and they won't be 'preachers stole money' on the front page, and they won't be all the things that are negative, you see. But whole cities will change in a week with me and I shall flow through you each and every one as you yield to me. What I have given you free, as you yield your mind it'll think like me. As you open your ears I'll set your heart free. As you use your lips for what I planned them for, the world will change and they will all look to Me and before you're gone the world will know how to be free.

Many will choose and go the other way, but my faithful few will see it all day - consistency, consistency, consistency with my word, all because you've opened your heart. You've dared to be heard, you've taken the word, you put it inside, you stuck it in a place where it cannot hide, so it will come out with a song and a shout. Your life will be read like a living book. So understand that my hand is upon every woman and every man. Don't let tradition hold you back I am only plenty and there is no lack.

Anybody see something's? Don't pick up fear about what's coming on the earth. Go read Luke 21 again; when Jesus told his disciples man's heart will faint for what's coming on the earth because they are looking with natural eyes, from natural hearts, and natural minds. But you will see by greater power and you will sense and know it's our hour. Don't worry; don't ever fear Jesus Christ is not even near. He is here and this season is open for us. Focus on the things that are coming on the world because it's not coming on those of us who function in the Kingdom. I love and appreciate you."

**Stephen:** I count this place as Holy ground; I never told you that before because it's new breakthrough ground. It won't be easy, Stephen, but it will be right. God's going to bless you with all His might. And each of you that have heard, understand this is your word. It's not for those of us that sit on the front. God sees you on the front, God sees you fulfilling your destiny now, not where you are. He sees you right up close, not far.

Father, I pray now that you will anoint these words, Lord God. Print them indelibly in the hearts of men and women who were here and Father, we held our lives to you, Lord. Do as you will, Father. Not our will but Yours. We will change, we will adapt and we will follow exactly your word that's revealed to us. And Father, we're going to learn to know you. I want to know you, Father, I want to know you. Jesus, I want to know you, Holy Spirit, I urgently want to know you and follow you. So I yield me life now, Lord, change me and mold me to your words and then speak to me in the private times, Lord God. I desire that fellowship Lord Jesus, and as I close this service, I just love you Lord. Father, I thank you that you have caused each person to hear the word of God exactly as they should for their own lives, for their businesses, for their station in life and I thank you that in simplicity the Holy Spirit will continue to reveal these things to them. In Jesus' mighty name. Amen.

I love you I appreciate you. Jesus Christ is Lord.

## PROPHETIC WORD BY FRANS DU PLESSIS 16 NOVEMBER 2008

And the Lord said to me: "In many of My people right now, through many experiences they have gone and have done many things for Me. They burned and they got burned, even in religion and they really did their best, but they are not now really shining because of many hurts to their hearts and in their lives. They have been faithful in the house of God but that flame has just burned down, down because they have come through a night period", but God says, "by My Word, I am cutting off those who have willing heart, I'm cutting off even the past success, where the flame was and now is only black. That way I'm cutting it off and even the lamp that is only smoking. I will not put it out, but I will breathe on it so that the original light which comes from Me will again start to shine bright. God never breaks *die riet wat gebreek is, die geknakte riet sal Hy nooit breek nie en die rokende lampput sal Hy nie uitblus nie*, but He will breathe again over His church. He will send His word to cut off old tradition, old religion, old mindsets and when He has cut it off, He will just breathe on it and a new flame will come about, that will give light in His house and will give light in people and individuals hearts and will give courage again for the work He has for us, enlightened and new revelation."

I'm telling you in my heart I see wealth coming, wealth coming, wealth coming. Would you just stand with me: I haven't had a chance to talk about this thing. I haven't released it anywhere but I feel on my heart that we are about to. Listen, South-Africa is shaken but it's a good shake. It is a good shake, do not be afraid of what is happening. Do not look at the things that are just in front of you, behind all these things is a shaking. God says, "once more I will shake all things that can be shaken. I will not only shake the heavens but I will also shake the earth, so that everything that can be shaken will be shaken, but the thing that cannot be shaken and will remain, is the Kingdom of God." This is the book of Hebrews 12 verse 30 somewhere, He says that the unshakeable Kingdom of God will last when everything is shaken. What comes forward is the pure Kingdom of God which is His sons, His family, shining like the glory of their Father, shining like the son with wealth that cannot be bought with money, wealth that comes from heaven. God gives power for those who are from the Kingdom, who do not put wealth in front of God but put wealth underneath their feet. Make a friend through mammon for the Kingdom of God. Use mammon as a servant as a slave, he is a good slave let it work for the kingdom sons and daughters.

Father, I want to pray over this family this morning. I truly believe that they are about to see a great move of God, even in our nation and though, Lord, fear may come and many would say we are in trouble, You are assuring us this morning that You are only shaking the systems of the world and you are bringing forward the values that cannot be shaken - like righteousness, peace and joy in the Holy Ghost. These are the attributes of the Kingdom of God. These are the things that will stand and remain and when others go bankrupt all around us, businesses will be given to us. People will say "take this business". People will come and give houses - they will lay it at the feet of them. Arise My sons and daughters and shine for the glory of the Lord has risen upon you. Yes, surely darkness will come upon the nations of the world but not upon you. You will only see it with your eyes. It will not come to the righteous, the righteous will in the midst of great tribulation **STAND UP, STAND UP, STAND STRONG!** O, remnant of the most Holy One, those who carry the intent of God, those who are over comers, those who carry the seed Christ inside of you - you have overcome, you have overcome, you have overcome!

"Greater is He who is inside of you than he who is in the world! If God is for you who can be against you! Your greatest asset my child, is the word you speak. The words you speak in this day are very important. Do not talk like the world. Yes, observe what is happening but rejoice because your day has come, the breakthrough has come. The nation of South-Africa will rise up as a jewel in My crown to touch the nations of Africa and touch Europe and even touch America, touch Russia, touch China, with a true wealth, because true wealth is not in the U.S dollar, it's not in the American dollar, it's not in the British pound, it's not in the Swiss franc, it is not in the South African rand."

The true wealth is God Himself! He is the one who makes us rich and adds no sorrow, who gives everything we need to fulfil His mandate! Come on, let's give Jesus a hand. Hallelujah, hallelujah, thank you Lord, there is a remnant in Pretoria. There is a remnant who keeps the original intend of God. Hallelujah, Hallelujah there is such a anointing, such a presence of God.

I believe we do not need to be thousands to shake Pretoria for Jesus Christ. If God can find one who truly is a remnant, who truly have the original intent of God in His heart who is not contaminated by religion, tradition, God can take a city, if He can find one. He says, "I was looking for one that can stand in the gap so that I do not have to bring judgement over a city". There is more than one in our nation, there is more than one. I believe this is why God is even shaking the political situation. God is shaking those who think they are God's untouchable. God says, "I change seasons I bring things in order, I could even use more wicked kings to shake the power of humanistic thought to bring about my Kingdom, to bring about My order for the sake of My own sake, for the sake of My remnant, for the sake of those who have been elected to carry My presence into its fullness."

Come on; give somebody a hug, give somebody praise. Hallelujah!

## VADERSDAG 21 JUNIE 2009

Terwyl ek gedurende hierdie week vir Pa Stephen en sy gesin gebid het sien ek 'n groot voertuig wat ry. In die gly stroom van hierdie voertuig is 'n klomp klein voertuie wat op die krag van die stroom van die voertuig saamry. Geen bydrae of hulp nie, trek net krag.

Ek sien dis seuns (wat veronderstel is om seuns te wees) wat net saamry oor die *genade* wat op ons geestelike Pa rus en oor die status van die 3de dag. Hul harte is nie by hom nie hul praat selfs teen hom en Soteria.

Hul verstaan nie die dinge nie en die erns daarvan nie. Dit kan nie gebeur nie, dit is uitputtend geestelik en word selfs in die fisiese ervaar.

Dis soos ek sien huweliksmaats ook doen. Mense vertel vir andere hoe pateties, swak, en wat ook al hul huweliksmaat is. Elke keer as jy iets negatief van jou maat vertel skiet jy 'n pyl in die voet, dan een in die ander voet, dan een in die bobeen arm of waar ook al. Die dag as hierdie persoon inloop sien die mense hom/haar nie as die persoon wat hul godgegewe potensiaal het nie, maar hul sien die persoon volgens al die negatiewe dinge wat aan hul vertel is, pateties en vol pyle geskiet.

Begin 'n ster op jou geestelike Pa sit elke keer as jy van hom by ander praat, so ook op jou man/vrou en familie. Profeteer lewe en goeie dinge, staan in die bres vir mekaar. Dood en lewe is in die mag van die tong en ons gaan rekenskap daarvan gee.

Word seuns en nie meer huurlinge nie
