

# JUNE-SEPTEMBER IS VERY STRATEGIC: NEW ASSIGNMENTS AND FLOODGATES OPENING

DOUG ADDISON

*June 5, 2011*

Last December God spoke to me that 2011 will be strategic and we will begin moving into more clarity about our destinies as God is shifting our assignments and that new life will come in June and by September 2011 things we have longed for will begin to take shape. This was included in my Prophetic Insight for 2011 and as you will read below it is now being fulfilled.

We are heading into a strategic time as God is sending out invitations to go deeper and experience more of Him. This will require that we streamline our lives and be flexible. What we do this year will set the pace for the next several years.

The enemy has been attacking us in the area of “spiritual identity theft.” Many have gotten off-track from their specific uniqueness’ as individuals, ministries, churches, and businesses. We will need to go beyond the things that we are good at doing and focus on what we do the best. We are being released from our old assignments from God and we need to take steps towards our new assignments.

## **June 8-12 is a strategic time**

This year Passover to Pentecost takes place from April 25-June 8. It is an amazing time of Heavenly interaction and activity. The Jewish Feast of Pentecost ends June 8 and the Christian celebration is June 12. God spoke to me about significant “positive” events that will take place during this time. Watch for new things to begin happening June 8-12.

## **What will happen during the dates 6/8-12 is similar to Isaiah 6:8-12:**

Then I heard the voice of the Lord saying, “Whom shall I send? And who will go for us?” And I said, “Here am I. Send me!” He said, “Go and tell this people: “Be ever hearing, but never understanding; be ever seeing, but never perceiving.’ Make the heart of this people calloused; make their ears dull and close their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts, and turn and be healed.” Isaiah 6:8-12 NIV

### **New assignments now available**

This is where Isaiah encountered God and received his new assignment. It was also a time in which some people thought they were hearing God but they were not hearing clearly or understanding Him. God is opening the spiritual ears and eyes of those who are looking to Him for their destiny.

God is asking many people to go on assignments that He would not normally have to ask them to accept. There has been an excessive amount of people who have fallen into complacency and therefore their callings and destinies are available to people who will say yes. New assignments along with the anointing and financial provision needed for those assignments are now available to people who will say yes to God.

### **ATM cards from Heaven**

I saw “spiritual ATM cards” being issued to people for “Angelic Teller Machines”. God is assigning angels that will make finances and favor available from June 8 through September 30 (Pentecost – Rosh Hashanah). This is a specific time that people are going to reap what they have previously sown. In other words, we are in a time right now that we are receiving from God because of things that we have done and given to over the past nine years (2001-2011).

The amount of grace and blessing being received right now will not seem make sense to some because it is coming as back-payment for previous losses.

### **Plan now for the future assignments**

Don't assume the amount of blessing you are receiving from June to September will continue at the same high velocity. So don't just think you can camp in the flow of blessing, you will still need to be wise and position yourself to get the new promotions coming after September. Begin planning now by watching for new opportunities.
