

Prophecy David Wagner 2012

I hear the Spirit of the Lord saying: "I am ushering My people to greater heights and greater realms of Glory in 2012. It is time to arise and take your place as agents of change and carriers of My presence. This is going to be a fast paced year as I initiate change from the beginning of the year until the end. Take a deep breath and get ready for a year of maximum impact.

Do not be caught up in fear or worry but move in confidence and authority. I am releasing the government of God in the earth and I am commanding divine order to come upon the Kingdoms of the earth. Do not resist change for it is necessary for me to take you where you are going. It is now time to possess all that I have purposed for you. Do not compromise and do not back down.

I am the Lord that responds. I am responding to faith, hope, love, and to the desperation of My people. Angels of Rapid Response stand at the ready in this season to expedite the word of the Lord. Call to me and I will answer. I have not turned my face or heart away from My people but on the contrary I stand ready to act upon My promises.

Align yourself in My word, with My word, and by My word. This is the year of "I told you so..." What I have spoken to you I will do and I will do it swiftly. It is time to proclaim and claim My goodness and My promises. I am lifting the heavy burdens off of your shoulders and releasing the anointing that destroys every yolk and stronghold.

A year of Access is upon you, I Am granting you access to my excess. I AM the Lord of more than enough. My hand is not too short, My ears are not deafened, My heart has not wandered away from you.

I tell you once again, Ask, Seek, and Knock. Ask and I will give you the desires of your heart, the nations for your inheritance, and the lost for your reward. Seek Me and you will find me when you seek after me with your whole heart. Knock and the doors to your new day will be opened. This is the year of abundance. I am releasing abundant grace, abundant love, and abundant life. Everything I am and everything I have is yours. Act upon my promise, Activate faith, Accelerate obedience, Answer the call, Allow me to take charge, Abandon yourself to obedience, Ambush the enemy with your praise and Advance my Kingdom.

Brace yourself for the best. Be ready in season and out of season. Believe me for what you have never seen. Bare one another's burdens. Be bold as a lion and bounce back up from past defeats and disappointments. 2012 is a year of breakthrough and breakout. It is time to go beyond where you have ever been, bombard the gates of hell and break every man made barrier. I have purposed My blessings to overtake you, My beauty to overshadow you and My breath to propel you beyond your wildest dreams and expectations.

2012 is going to be a year of completion. I am putting my finishing touches on many of the things that I have started. As it goes with the CHURCH so shall it go with the nation(s). Let your convictions be stronger than your comfort. I am correcting the moral compass of My church and of this nation and establishing a new true north. Come back to the place of consideration. Consider one another with love and good works. Consider your ways and come back to the place of complete reliance on Me. Commit yourselves once again to faithful men and women. This is a year of convergence. Come together with and for greater purpose than ever before. Stay connected to a steady stream of My presence and with each other.

Conquer your fears and deal with anything that would steer you off course. You are more than conquerors you are priests and kings. Creative miracles are going to be captured on camera for all the world to see throughout this year.

Do not allow doubt, deceit, dilution, disillusion, or disappointment to delay or detour your destiny. This is a year of determination. I am determined that My church has everything I paid for over 2000 years ago. Be determined that nothing is going to stand in the way of you and me in 2012. This is going to be a year of deliverance. People and nations shall be set free from dictators and demons. I have disarmed powers and principalities. Demonic dynasties have been demolished. The season of delay has ended and you have now entered the season of the "special delivery". Be willing to go deep, do not merely settle for the safety of the shallows but come to the place where deep cries out to deep. Delight yourself in the Lord and He will grant you the desire of your hearts in 2012.

This is the year to embrace what I am doing in the earth with expectation. Envelop yourselves in My presence and eradicate anything that would try to compete with My place in your life. Envision yourself standing at the brink of your promise as I expand your territory and enhance your vision for this coming year. Do not be entangled in the cares of this world but earnestly seek My face. I am eager to meet with you and equip with you with the secrets of eternity in the months ahead.

Do not fear but keep your eyes and your faith focused on Me. This is going to be a year of extreme favor for those who have remained faithful. I am fortifying families throughout this year and have commanded this to be a year of the Father.

Fathers are about to come to the forefront and take their rightful positions in the nation, in the church, and most of all in the home. Forerunners are emerging and forging ahead, preparing the way of the Lord and releasing the next wave of awakening and revival in the earth.

The government is established upon MY shoulders. I am bringing the Government of God to the government of this nation and many others in 2012. This year the elections will not be decided by a vote, but by a voice. The elect of God are being commissioned to determine the elections of 2012. The church will either choose a Saul or David. This is the year to GO! It is no longer on your mark, get set, and wait! I command you to Go. I am restoring the GO in the Gospel. It is time to once again speak "Grace, Grace" to the mountains around your lives and churches. I am activating My gifts in unlikely places in the year to come. A key to changing the economy is giving. Give your way out of debt, give your way out of lack, give your way out of poverty. Angels of generosity are coming along side My church to release heavenly treasures. The Goodness and Greatness of God is going to be put on display like never before in the year ahead.

I declare that this is going to be a year of health for My people. The sun of righteousness is rising once again with healing in His hands. Holiness is not an option it must become priority. Honor is being restored to the Body of Christ and to many leaders who were once counted out. 2012 is going to be known as year where true Hope is restored and healed. Hope will not disappoint in 2012! A harvest of 4 billion souls are about to come into the Kingdom of God over the next 2 years.

This New Year I am giving you an invitation to invade the impossible. I am going to bring back identity and integrity to the church, the nation, and especially to leaders. It is time to initiate change and come out of hiding.

Do not be isolated or inundated with things that do not matter in the scheme of eternity. I will illuminate the darkness with the light of the Kingdom through my sons and daughters in the year ahead. This is a year to invest in the harvest that is already at hand. I am releasing inventions, innovations and ideas that will bring forth the cures for diseases and riches into the hands of My people who will not hoard it for themselves but will heap it upon those who will win the harvest.

Justice and Righteousness are the foundations of My throne. This is going to be a year of Divine Justice on behalf of Israel, the unborn, the poor, the orphan, and the widow. I am tipping the scales of justice in America and beyond by bringing salvation to those in gross darkness. This is a year for every joint to supply and take their place in the body of Christ.

I am restoring the fruit of Kindness to My people. It is My kindness that draws people to repentance. I am calling true gatekeepers to come to attention to guard My people and My house. Keep your eyes fixed upon me, give me your full attention, lift your face toward heaven where your help truly comes from. This is the year that I am releasing the Keys of David to those who are men and women after My own heart.

Lift up your voices and let My praises be heard among the nations. It is time to lift Me up and I will draw all men unto Myself. Let your light shine before all men do not keep it hidden. Love one another. Until you learn how to Love each other and those I have placed around you, you will never fully receive the harvest I have prepared for you. You will never win what you do not love.

Mercy ministries clothed in the power of God will see nations won in a day. 2012 is a year of the miraculous power of God. I am releasing mountain moving faith. This will be the year of the manifestation of your miracle.

Call on My name and Nothing will be impossible for you in 2012. I will never leave you or forsake you and I will supply all that you need. I am more than enough. Today I have come to make all things new. To everything there is a beginning and an ending. This is the year of New Beginnings and also a time for you to act like new "beings" you are a new creation - live like it and act like it. This year I am bringing an end to self-reliance and demanding that your trust, hope, and focus is on me and not on man.

I have ordained this to be a year of open heavens and open doors for the Body of Christ. Many are about to emerge out of obscurity and brought to the forefront to further the cause of My kingdom. Obedience is a core value that must be exercised in order for My promises to be accomplished. Be like the men of old in Hebrews 11 that obtained a word from God and framed their world with it. Divine order is coming to the church, to governments, and to the earth in 2012.

This is the year to pursue love and abide in My presence on purpose. My power will flow on the winds of your worship and with the sounds of your praises. Purity is a magnet for My presence and favor. This is a year to commit yourself to the secret place of prayer like never before. I am going to overshadow you with the peace that passes all understanding even in the midst of the storms that may blow.

You will win if you don't quit. I am your qualifier remember it is not how you start but how you finish that counts. I am doing a quick work in the earth in 2012 and will cause nations to stand in awe of who I Am.

I have called you as ministers of reconciliation and ambassadors of restoration. I am in the mood for redemption. I am redeeming time, families, resources, and callings throughout 2012 and bringing about the restoration of all things.

Everything that can be shaking will be shaken in 2012, so that the unshakeable Kingdom will remain. An unshakeable Kingdom has an unshakeable economy, you are a part of that economy. I am bringing stability and security to My people and revealing the treasures in darkness and secrets in hidden places. Household Salvations shall be common throughout 2012 even to 3 and 4 generations.

It is time for transformation. Transformation begins with you and then it will flow through your cities, regions, and nations! I am thrusting you out into the unknown. Trust is the key that will determine your thrust. It is your time and your turn to receive all that I have for you throughout this year. I am not only bringing you to the tipping point but I am making you a tipping point in 2012."

This will be known as the year of THE LORD who is unstoppable and uncontrollable. I am releasing a supernatural anointing to understand the times. The Lord is Uniting His Church and is about to unveil a remnant people who are united in one heart and one purpose.

I am calling My church to come and live behind the veil. Come and see what I see. My vision is far greater than yours. It is time to see the value of My Son and of My church. This is going to be a year of visitation for those who hunger and thirst after me. My virtue and life is about to fill My people like never before.

Watch and Wait as I open wide the windows of Heaven to pour out wisdom and wealth. This is going to be a year of fresh wind that will carry the whisper of My still small voice. Wash yourselves in the Word and live worthy of the High Calling I placed upon you!

I am bringing the young people and youth to a whole new level in the days to come, many have yielded themselves and cried out for more of Me and I am responding to their plea without limitation or hesitation. There is going to be a worldwide revival ushered in and maintained by the "next" generation.

It is time to leave the places of comfort, ritual, and predictability. The Zeal of the Lord is returning to the people of God and to His House.'
